

Community Level Group

Africa, Asia, Latin America

Any Good Practices Out there?

Participatory Approaches

- Working with and through community & structures or organizations (children participating);
- Using Participatory Learning and Action methods (AL): Analysis, Planning, budgeting, implementation M&E;

Community Champions of change

- Committed Traditional, religious and institutional leaders
- Natural and emergent leaders (volunteers), paralegal s etc.
- Energy , passion and drive

Partnerships and Networking

- Linking community to local government, to national ;
- Coordination and synergy through multi-stakeholder collaboration
- Capacity building –partnership management and networking

Good Practice

Harnessing ICT& Mobile Technology

- Child Helpline 116 over 20 countries in Africa;
- Elaborate Referral system (India best example);

Any concrete changing traditions

- Traditional Initiators Zambia

?

Gaps Leading to Recommendations

Working with Norms

- More time and resources to engage with culture & understand it;
- Appreciative Inquiry type approaches;

Strategic Agreeable entry point

- Development: Education; Wellbeing; economic security etc.

Evidence +Participatory Action Research

- Partnerships with Academic and research institutions;

Gaps Leading to Recommendations

Children Participation

- Methods
- Capacity

Breaking the silences

- Community Intergenerational Dialogue
- Media engagement

Volunteerism

- Sustaining interest and motivation
