

# CHILDREN RAISING AWARENESS ABOUT COVID-19

Children advocating, mobilizing, raising awareness,  
informing and communicating.

Asia and the Pacific: Pakistan

Save the children Pakistan's partner organizations have consulted leaders of Children Clubs to know their needs during COVID19. After consultative process children have identified the need to sensitize children on risk related to COVID19 and what preventative measures needs to be ensured to get protected from the pandemic. As per the identified need, partners have conducted orientation of children on the same through WhatsApp group / telecom.
