

CHILDREN ACCESSING LIFE SAVING INFORMATION ABOUT COVID-19

Children advocating, mobilizing, raising awareness, informing and communicating.

North Africa and the Middle East: Jordan

YCS Leaders in the medical fields from around the Middle-East filmed a video explaining the context of the Coronavirus pandemic to the children and youth of the movement in Egypt, Jordan, Lebanon, Palestine, and Syria.

The video contained practical steps of how to stay safe and how and what to disinfect when we are at home or outside with some tips also to take care of their mental health. Overall 5000 children were reached and encouraged to share practical and accurate information. International Young Catholic Students
