

ADOLESCENT VOLUNTEERS ADDRESSING CHILD NEGLECT

Children building capacities and researching

Asia and the Pacific: Lao PDR

Child neglect and child harassments' activities were the main topic in target area where ACD worked for. ACD is looking to establishing Child Protection for Children project in affected areas. Students and teenagers were selected and encouraged to be the volunteers and facilitator for this project. The aims of the project is to increase their knowledge and lead participants to change attitudes.
