

CAMPAIGNING ON MENTAL HEALTH

Children engaging and supporting their peers,
including reaching the most vulnerable

Asia and the Pacific: Bangladesh

Evolution 360, in collaboration with the NGO Manusher Jonno Foundation launched a series of interactive Webinars focused on mental well-beings, Basic psychological counseling, anger management, tackling domestic violence during lockdown, adolescent mental health, HeForShe at home, gender sensitization, among other topics. Some of these 2 hours sessions also included some one-to-one counseling with people who needed help.

Evolution 360 has also been encouraging youth to register as UN Online volunteers to help raise awareness and transmit accurate information.
