

CHILDREN HAVE ACCESS TO SAFE SPACES TO SHARE AND HEAL

Children engaging and supporting their peers,
including reaching the most vulnerable

Latin America and the Caribbean: South Africa

Online educational resources free for children and parents. Motivational messages. Covid 19 safety information .
There was increase in abusive activity towards children as frustrations and poor adults decisions were made. Adult intervention and support undertaken. Children offered space to share and have access to healing through meditation offered online.

Camissa heritage—Cape town
